Dear Editor BradyCops.Org,

You have requested any lists that the State Attorney's Office for the Second Judicial Circuit of Florida "has compiled, maintains or references in the identification of police officers within your jurisdiction - who would be commonly classified as "Brady Cops" or "Giglio Cops"."

This office deals with Brady or Gigilo claims through the discovery process in individual cases as provided in Rule 3.220, Florida Rules of Criminal Procedure, it does not keep lists as you describe.

Eddie Evans
Assistant State Attorney
Second Judicial Circuit of Florida
