Ref: Carbon County Brady List

Date: February 8, 2018

To whom it may concern:

My office does not maintain a Brady/Giglio Cop List. The Carbon County Attorney Office is a two attorney office working with approximately twenty full time law enforcement officers. Due to the small size, a list has not been compiled or maintained. Defense counsel (or pro se defendants) are made aware of Brady / Giglio concerns by written notice.

Sincerely,

Alex Nixon
