Dear Editor

Please allow this correspondence to serve as the official response to your public record request dated October 7, 2015, wherein you have requested "any lists your office has compiled, maintains or references in the identification of police officers within your jurisdiction who would be commonly classified as "Brady Cops" or "Giglio Cops." Neither the Nye County District Attorney's Office nor any other public office in this jurisdiction to my knowledge has any list of the type requested. Due to the relatively small size of our law enforcement agencies, such list has not been found necessary up to this time. The Nye County District Attorney's Office complies is with its disclosure obligations on a case by case basis, based on information well known by all members of the office.
