Dear Editor:

Thank you for your email of January 14, 2015 in which you request: "any lists your office has compiled, maintains or references in the identification of police officers within your jurisdiction who would be commonly classified as 'Brady Cops' or 'Giglio Cops.'" This office does not maintain any records responsive to your request so there are no records I can provide you.

In your email you state this was your second request for this public record. My office cannot locate a previous request and no one in the office remembers receiving a previous request. But your January 14, 2015 request did end up in at least one attorney's email spam folder and this might explain why we are unaware of a previous request. In any event, if you did send us a previous request I apologize for the fact you had to send a second request.

Sincerely,

John Hummel
District Attorney
