Dear sir,

I have received your records request.

I do not currently have any police officers in my jurisdiction on a Brady list.

Gilliam County is a rural county with less than 2000 residents. My jurisdiction has 6 law enforcement officers within the Sheriff Department and one Municipal Officer. Further, the Oregon State Police conducts some patrols in the area. As you can see, there is a limited pool of potential "Brady Cops" in my jurisdiction. If I am made aware of any misconduct among officers in my jurisdiction I will add that name to a Brady list and provide the information to defendants in cases where that officer was involved. At this moment, I don't have anyone on the list.
