

Washington County Advised BradyCops.Org, That There Would Be A \$20.00 Charge For A Copy Of Their Brady List.

While We Were Prepared To Pay The \$20 Charge – We Insisted That The County Present US With An Invoice – Which They Refused To Do.

We Insisted On An Invoice In Order To Ensure That Our Payment Was Used To Reimburse The Tax Payers Of Washington County – And To Memorialize What Exactly We Were Being Charge For (Copying Services, Redaction Cost, Employee Time, Etc.)

It Is Worth Noting That Washington County Has Had Recent Litigation Regarding Their Brady List – Therefore, There May Have Been A Desire By The County Not To Release This Document Of Public Interest.

In The Future, We Hope That Washington County Officials With Be More Cooperative In Releasing This Record, As We Update Our Brady List Data Base.

Dear Sir:

Standard business practice is that an "invoice" is submitted - "payment" is then made - and a "receipt" is then provided.

Therefore, please submit a detailed invoice outlining what we (BradyCops.Org) are paying for (time, copying services, redaction, etc.). We shall then submit payment - and will THEN expect a receipt from your office.

We believe that the publication of these records (Brady List, invoice, receipt, and your emails) are in the interest of the public.

We have complied with your office's requirement to submit the "public record request form" - surely your office can comply with our request for an invoice.

Regards;

BradyCops.Org

We prefer the records mailed - please submit a detailed invoice for the \$20.00 to this email address - this invoice will be published to verify compliance with your particular state's public record laws.

Thank You
