Per your public records request dated December 3, 2014, to David McEachran, Prosecutor, Whatcom County, please find attached our current list of "Brady" officers. Some names on the list are individuals who work for the State but are included because this office received a PID (Potential Impeachment Disclosure Determination) letter from their respective agency. The two page list is attached without charge. Should you have any questions, please feel free to contact me.
